

AOTA PUBLICATIONS AND CONTINUING EDUCATION

Specialty Certification in Driving and Community Mobility

Suggestions for Formal Learning or Independent Learning (Criteria 1, 2, 3, or 4)

- There are many publications and continuing education (CE) offerings by AOTA. The list below identifies some that might be helpful in meeting one or more of the Knowledge criteria for certification in this area.
- The list of publications and CE offerings is always changing. Please check the [AOTA Online Store](#) for up-to-date information about new offerings that may meet your interest and needs.
- The following are suggestions only. It is always an applicant's decision about whether or not a resource meets their particular needs, applies to their particular practice, and is relevant to a specific criterion.
- Applicants are not required to use any of the resources listed below in order to become certified. Publications and CE by other providers that is used for professional development may be submitted.
